Dear Sam,

Families are stronger when they are together, and their presence helps a sick child heal faster and cope better. While we cannot make medicine taste better or take away the painful treatments, we can help lessen the burden and ensure families have the stability and resources to get and keep their child healthy and happy. Families from around the corner and around the globe have found in "*The House That Love Built,*" a safe and compassionate place to stay while their child is being treated in our local medical facilities. The strength, hope and support they receive from each other and from the staff and volunteers help them through these most difficult times. All of this is possible because of the love and generous donations of all our donors and volunteers.

Thank you.

Try as we may, nothing seems to top "Thank you." On behalf of the many families and children staying at the Ronald McDonald House of Springfield, we thank you for your support and for your very generous donation of \$200.00 (for which no goods or services were received), which you raised working this summer as a hostess and donating a part of your weekly pay. You give so much to all of us here Sam and you are such an inspiration to so many. We are truly blessed to have such a good friend as you and we are very, very thankful for all that you do to help us help our kids. Your time, trouble, fundraising, and especially your gift of self are unbelievable and we are the very lucky recipients of your generosity.

So thank you for taking the time from your busy life to care about those less fortunate, and thank you for choosing our charity for your kind generosity. Your support and confidence in our mission here at the Ronald McDonald House of Springfield is *greatly* appreciated!

Very truly yours,  
Ronald McDonald House of Springfield
