West Hartford, CT 06117

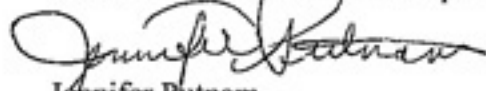

Hi Sam.

Thank you for coming last Sunday and spending the afternoon doing crafts with the kids. They really relate so well to you and so enjoy all the special treats and crafts that you bring. Please know that every single time you come to the House to do crafts or visit with the kids you help to improve their quality of life while they are here. Of course, the staff misses seeing you on a regular basis now that you are in school and coming by on the weekends though!! Sure hope that school is going well and that you are gearing up for a *GREAT* ski season!!!

Your fundraising campaign is going extraordinarily well and we simply cannot thank you enough for all that you do to help us help our families. You probably noticed that we are full again with a lot of new faces. It usually starts to slow down a bit this time of year, but it doesn't look that way this year!! We so greatly appreciate all your help, especially in this financially trying time. We thank you for so sincerely relating to your donors the needs of our House and families. Their response is overwhelming and they have all been so very generous.

So thank you, Sam, for all your hard work and effort on our behalf, but mostly for being a true and dedicated friend to our Ronald McDonald House here in Springfield!!

Sincerely,
Ronald McDonald House of Springfield

Jennifer Putnam
Director/House Manager
